## INSURANCE

The Williston Parks & Recreation District does not carry medical or accident insurance for the participants of our programs. We also suggest that you check with your family physician before participating in any parks and recreation district programs that require physical exertion. If your physician should discover factors that are physically limiting, please consider those factors when registering for programs.

ATTENTION PARENTS - for your child's safety, children under six years of age are not permitted in the building unless accompanied and supervised by an adult.

## CREDIT POLICY

A 100% credit is available if you withdraw from a program before it begins. Registration fees will not be refunded once the program has begun, with the exception of a medical reason.
