your roster can include up to 10 (changed from 8 after hearing from teams 8.16.17)

Once you have made 3 outs, you will send 5 players (in the lineup) to the 5 available outfield positions.

These positions will be LF, LCF, RCF, RF, and P or LF CF RF MID IF & P

You will play these positions until 3 outs are made by the new team at bat.

Once 3 outs are made, your 5 players will assume the 5 infield positions which include 1B, 2B, 3B, SS, and C.

You will play these infield positions until the new team batting has made 3 outs.

This will conclude a full inning. NO Extra innings during league play!
