WPRD takes on After School Program, now called “Kidz Quest” in Williston, ND

Williston, ND – The Williston Parks and Recreation District is proud to be taking of the After School Program, now called Kidz Quest! This program offers academic based program for our community. Kidz Quest after school program is open to children enrolled in grades K-4. Kidz Quest will provide academic support through reading, writing and STEAM learning. Students will also be provided the opportunities for community involvement through special guests and planned field trips, physical activity, and team building. All programs and activities are planned and designed to improve social skills, inspire learning, develop confidence, and build relationships.

Kidz Quest will operate out of the respective schools from 3:00 p.m. - 6:00 p.m. Monday thru Friday and will follow the school district calendar. We service five elementary schools – Rickard, Hagan, McVay, Wilkinson and Lewis & Clark.

We are needing to hire a few more individuals to be fully operational. The following positions are open:

- Lewis & Clark – 1 program aide
- Wilkinson – 1 supervisor and 1 program aide
- 2 floaters with the ability to help with coverage

Our goal is to staff 4 individuals at each school which will open between 20-30 more spots for families. These positions are open to individuals 16+ looking for a part-time job, who loves spending time with kids, and want to have FUN! CPR & First Aid Training is required and will be provided. Interested individuals can email kirsten@wprd.us for more information and fill out an application by downloading it online or pick up at the front desk.
